Notes: To the best of our knowledge, the insignificant nutritional value of essential oils, due to their extremely low usage levels, does not contribute to the nutritional value of flavors or food products in which they are used. We believe this product, therefore, falls under an exemption, and refer you to 21 C.F.R, 101.9 (J)(4) as published in 58 Federal Registrar 2185, January 6, 1993.

Silver Cloud Estates, LLC extracts, flavors, emulsions and essential oils are sold exclusively for use in food and drink intended for human consumption. Our products are not sold for use in e-cigarettes or any use where the flavor is inhaled or topically applied to the skin. Individuals or companies that use or extracts, flavors, emulsions and essential oils outside their intended use of food and drink for human consumption do so at their own risk and without warranty, either expressed or implied, from Silver Cloud Estates, LLC or its suppliers. The user assumes all liability for loss, injury, damage or expense resulting from such uses.
